Announcement of the 30th Anniversary of Our Singapore Subsidiary ,Singapore Hagiwara Pte. Ltd.

We are pleased to announce that Singapore Hagiwara Pte. Ltd., an overseas subsidiary of our group, is celebrating its 30th anniversary.

Since its establishment in 1996, the company has served as the group's first overseas subsidiary, playing a key role in building and expanding our business presence across Asia. Although the company started on a small scale, it has now grown into a key base centered on the ASEAN region, thanks to the continued support of local customers and business partners.

Over the past three decades, Asia has experienced remarkable economic development, while the mobility industry has also undergone significant transformation. The business environment has changed significantly, driven by electrification, technological advancements, and supply chain restructuring in recent years.

Throughout these changes, our group has strengthened regional collaboration from Singapore and strived to offer value-added solutions as a partner supporting customers' global expansion and technological innovation. As a central base, Singapore Hagiwara plays a leading role in expanding electronics and mobility businesses.

We would like to express our sincere gratitude to our long-term customers, business partners, and local employees, whose continued support has made this 30th anniversary possible.

Going forward, our group will continue to strengthen its business presence in Asia while taking on new challenges to create value, striving for sustainable growth and the creation of social value.
